RE: Docket No. OSHA-2010-0034; Comments of the BMWED

This is to advise that the comments of the Brotherhood of Maintenance of Way Employes Division (BMWED) of the Teamster Rail Conference have been incorporated into joint comments filed by the International Brotherhood of Teamsters (IBT). Please refer to the IBT comments filed in the above-referenced docket for BMWED-specific issues related to the proposed rule on Occupational Exposure to Respirable Crystalline Silica.

BMWED represents 35,000 railroad workers who build, inspect, maintain, and repair the tracks, bridges, buildings and related railroad infrastructure on all Class I railroads, and numerous commuter and shortline railroads throughout the United States.

Respectfully,

Director of Safety
